Marilyn Monroe, I Wanna Be Loved By You-You

I Wanna Be Loved By You Lyrics I wanna be loved by you just you and nobody else but you I wanna be loved by you - alone.

I wanna be kissed by you just you and nobody alse but you I wanna be kissed by you - alone.

I couldn't aspire to anything higher and to feel the desire to make you my own.

I wanna be loved by you - alone. just you and nobody else but you I wanna be loved by you - alone.

I couldn't aspire to anything higher and to feel the desire to make you my own.

I wanna be loved by you just you and nobody else but you I wanna be loved by you
