

MaRina, Hiding In The Water

what we are gonna do about us
we just gonna stay
coz you sow this
but we're leasing our way

.. bullets fire like a gun
tell me how we get so dangerous
we're going down

I hold my breathe in
in the water
I hold my breathe in
in the water
I hold my breathe in
in the water
in the water

Hiding In The Water
I can Hiding In The Water
Hiding In The Water
I can Hiding In The Water

how, how
we gonna make this work
heart ...
tender love

you, you talking about ...out
we're screaming but it doesn't makes us sound
we're losing all ...

Hiding In The Water
I can Hiding In The Water
Hiding In The Water
I can Hiding In The Water

I'm losing my mind now
I'm losing my mind
water is my silent home
I'm losing my mind now
I'm losing my mind
talk to the deeper ..

Hiding In The Water
Hiding In The Water
Hiding In The Water

I hold my breathe
I hold my breathe
I hold my breathe
In The Water
In The Water
In The Water
