

MaRina, I Do

You chase me down the road in my car
but I don't, but I don't need you
no, I don't need you!

you can cross the line
I will track
you know why
you're my everything
you're my everything

on your wings I'm flying
Sorry, I ... too
I know I'd better without you!
on your wings I'm flying

...
you don't know what love is like I do
I do
I do too
I do
I do too

I do
I do
I do
I do

.. on and on
Now I'm reborn
now, I know
that I'm not alone
no, I'm not alone
your game is to ...
I don't think

...
being with my love
being with my love

on your wings I'm flying
Sorry, I ... too
I know I'd better without you!
on your wings I'm flying

...
you don't know what love is like I do
I do
I do too
I do
I do too

I do
I do
I do
I do
