

MARINA, To Be Human

the pagodas and the palaces
dressed in gold leaf
hide the damages
spot the geisha as she balances
life's a cakewalk full of challenges

go to Russia, see the red square
Lenin's body lying dead there
from Kyoto, Hiroshima
Watch the black clouds crawling nearer

there were riots America
just when things were getting better
all these things I've done and seen
still I don't what life means

all the people living in
living in the world today
we're untied our love
we're untied our pain
all the things that I've done and seen
still I don't know
don't know what it means
