## MARINA, To Be Human

the pagodas and the palaces dressed in gold leaf hide the damages spot the geisha as she balances life's a cakewalk full of challenges

go to Russia, see the red square Lenin's body lying dead there from Kyoto, Hiroshima Watch the black clouds crawling nearer

there were riots America just when things were getting better all these things I;ve done and seen still I don't what life means

all the people living in living in the world today we're untied our love we're untied our pain all the things that I've done and seen still I don't know don't know what it means
