

# MaRina, Um Lotty Da

There's a place that I know  
Where I wanna go  
Where we'll all have a good time tonight  
Let me take you there  
'Cause I wanna share  
That same ol' um-lotty-da tonight

Let me try to sing  
Um-lotty-dotty hey, um-lotty-dotty  
Come on with me tonight  
Let me take you there  
'Cause I wanna share  
That same ol' um-lotty-da tonight  
Let me hear you sing

Um-lotty-dotty hey  
Um-lotty-dotty, Um-lotty-da tonight  
Um-lotty-dotty  
Um-lotty-dotty  
Um-lotty-da, tonight

So come on with me tonight  
Cause I know what you'd really like  
Let me take you there  
Cause I wanna share  
That same ol' um-lotty-da tonight

Now there's a place that I know  
Where I wanna go  
Where we'll all have a good time, tonight  
Let me take you there, cause I wanna share  
That same ol' um-lotty-da tonight  
Let me try to sing

Um-lotty-dotty hey  
Um-lotty-dotty  
Let me hear it tonight  
Let me take you there, cause I wanna share  
That same ol' um-lotty-da tonight  
Let me hear it again
