La la la la loca soy loca por tu boca  
We gonna have a good time i gonna let you tocar  
La la la la tina loca your crazy for my boca  
We gonna have a good time i gonna let you tocar

Is to good to be a crime  
And every single time you hypnotize me with your smile  
And you make loose my mind  
Yeah you make me loose my mind  
So high abouve the clouds  
So just stop, stop and show me what you got  
I know you want a shot  
Cause you look so fine and hot  
And you make me loose my mind  
Yeah you make me loose my mind  
So high abouve the clouds

La la la la loca soy loca por tu boca

You raise me up up up to the sky  
And i wont give it up up up till your mine  
Soi you need to stop stop stop for a while  
And i`m gona time time time of your life

Under the sun we gonna have some fun  
We gonna turn it start turn it on
