but i heard they were triffin'

her man's locked down so a brothers got room  
said he aint coming home no time soon  
i checked her hand i didn't see no ring  
i asked about her and i heard some thangs

chorus 2:  
that chick with the braids  
(chick with the braids)  
and the escalade  
(escalade)  
oh she be looking warm with the chocolate skin  
but i heard she was triffin'

her girl's got the braids  
(girl's got the braids)  
and the dk shades  
(dk shades)  
oh they be lookin warm just the two of them  
but i heard they were triffin'

she's the banginest chick i've ever known  
(bangin as bangin gets)  
how could someone so beautiful  
(be so triffin')  
must be rumors and they must be lies  
(just on my mind)

must be lies  
cause other girls can't stand her but they can't say why
