

# Mario, Couldn't Say No

(Talking)

Damn  
All i could do  
All i could say  
is that i'm sorry

Listen  
I know I really messed up this time  
Just hear me out

(Verse 1)

Ooh,you should've showed me a little more love  
(But still there ain't no reason)  
For me to walk out on this thing called "us";  
(But you keep giving me the feeling)  
That I should throw the towel in  
(Cause we can't keep each other no way)  
Cussin' me out in front of my friends not giving a damn how i feel

(Bridge)

I don't even want  
( I dont wanna be the guy that tricks around on you)  
You don't even know  
(How many times I asked ya mom what I should do)  
And it's my fault  
( Now its my fault i'm in a situation i may not get through)  
I got bad news that I gotta break to you and I know you gon' act a fool  
But I gotta let her know

I had a girlfriend pinned up  
In between the week we split up  
It was lookin so good i couldn't say no  
And everytime I see you wit her  
I think about how I was beatin dem ribs up  
And it's a shame when a man just can't say no

(verse 2)

See what is done is done  
and i realize now ain't no taking it back  
I committed the worse crime i could ever do to my gurl  
(Damn she ain't gone never forgive me for that)  
Everytime that you threw a fit my two-way she hits  
sayin,"I'm on the way."  
Puttin it down,in and out, up and down, any way i say

(Bridge)

But baby girl i really didnt wanna  
(i dont wanna be the guy who tricks around on you)  
you dont even know  
(how many times i asked ya mom what i should do)  
she didnt even know  
(now its my fault im in a situation i may not get through)  
i got some real bad news to tell you and i know you gon' act a fool  
she really needs to know

(chorus)

(Hook)

It was bad  
(i done messed up)  
Gave up all i had for you for a fast  
(piece of pleasure)  
That could never replace you, one more chance  
( one more chance, you mean the world to me)  
Girl you made mistakes too

(Chorus)(Ad+lib)
