[Lil' Wayne]

So i met this shawty the other day
I got her number, caught her up like What you've done? She say Nothin'.
I say What's good, she say not much. I say Guess what? She say Whaz up?
I say I think we should hook up, she say uh?
I say What? She say but, I say but? why you stuck?
She say fuck, I say who?, She said Not You, I said Then who?
She said You know.
I know what? You know who!
I said I do? She say You do!
I said I do, but i really don't, because it's you that i really want!
And we can do what you really want, girl we're grown
And if he ain't gon' treat you right, then I ain't gon' treat you wrong!
That's my word and she heard so many lies, she don't know what's true or not.
Shawty like a belly surface, that's what she been through a lot.
But i put her car in park and never let her cry alone.
I listen to her heart beat cuz it's playin' my favorite song.

[Chorus]

I can hear your heart crying out for me (crying out for me)
I can hear your heart crying out for me
(And it keeps on saying) Come on in, come on in come on in and save
(And it keeps on saying) Come on in, come on in come on in and save
(I can baby) I can hear your heart crying out for me

[Mario]

Baby, I should've never caught feeling
But baby having late night conversation on your sofa
You telling me how he played you out over and over, over and over
But I'm stuck in the middle of seeing you hurt
I know when you love him
And you wanna make it work
And I can't help but think that I knew you first
It's getting louder
Girl I can't ignore it no more baby

[Chorus]

I can hear your heart crying out for me (crying out for me)
I can hear your heart (oh yeah) crying out for me
(And girl it's saying)
Come on in, come on in, come on in and save (Save me)
Come on in, come on in, come on in and save (oh oh oh)
I can hear your heart (I can hear it yeah) crying out for me
Girl it's crying it's crying

[Mario]

I don't wanna confuse things (no)
But I just can't keep lying to myself
When you're holding me (when you're holding me)
I can feel your pain oh baby let me be your dream
I'm the answer come see me (see me)
And u don't have to cry no more (u don't have to cry)

[Bridge]

Girl I can hear your heart baby
I can hear your heart
Girl it's crying
Won't you listen to your heart, baby

[Chorus]

I can hear your heart crying out for me (girl it's crying out for me)
I can hear your heart crying out for me
(And it's saying)
Come on in, come on in, come on in and save (Save me)
Come on in, come on in, come on in and save
I can hear your heart crying out for me

Girl I can hear, hear it cry for me, for me, for me, for me

Ladies wave your hands in the air
