

Mario, Holla

Uh, can you see right there
Oohh noo
She look so good oh my goodness, cain't handle this

Verse 1

Shorty you've got to be about seventeen
Sporting your daddy's truck on twenty-threes
You are the finest girl I've ever seen
And I wanna be in your world I gotta be, I gotta be

Can you, spend a little time with me
Can we, kick a little fantasy
Can you, tell me, you with this game I'm playin baby

Courus

Baby girl if your feelin me, holla
If your really likin what you see, holla
Give me some digits to be where your at
When I holla baby holla back
Won't ya holla
Girl I'm thinkin you should be with me, holla
If you think I got a chance at we, holla
Give me some digits to be where ya at
When I holla baby holla back
Holla holla

Verse 2

Your body up about to cause a sene
Youngest girl at the club and so sassy, yeah
I know that you can't stay out all night
And baby that's alright with me
So come and swing it up with me

Can you, spend a little time with me
Can we, kick a little fantasy
Can you, tell me yeah come on

Chorus

Baby girl if your feelin me, holla
If your really likin what you see, holla
Give me some digits to be where ya at
When I holla baby holla back
Won't ya holla
Girl I'm thinkin you should be with me, holla
If think I got a chance at we, holla
Give me some digits to me where ya at
When I holla baby holla back

Bridge

If you decide(you decide)
We can do what ever you want to do tonight
Girl I wanna roll with you baby
So holla back if it's alright
Holla back yeah eh yeah eh yeah yeah yeah

Chorus

Baby girl ir your feelin me, holla
If you really likin what you see, holla
Give me some digits to be where ya at
When I holla baby holla back
Won't ya won't ya holla
girl I'm thinkin you should be with me, holla
If you think I got a chance at we, holla
Give me some digits to be where ya at

When i holla baby holla back
Won't ya holla holla

I know your watchin me
Can't help yourself your feelin me
You really wanna be with me
Swingin up with me see yourself goin home with me
I know your watchin me
Can't help yourself your feelin me
You really wanna be with me
Swingin up with me see yourself goin home with me

Chorus
Baby girl if your feelin me, holla
If your really likin what you see, holla
Give me some digits to be where ya at
When I holla baby holla back
Won't ya won't ya holla
Girl I'm thinkin you should be with me, holla
If you think I got a chance at we, holla
Give me some digits to be where your at
When I holla baby holla back
Won't ya holla holla

When I holla baby holla back
When I holla baby holla back
Holla
When I holla baby holla back
Holla
Won't ya won't ya holla
When I holla baby holla back
Holla
Baby girl if your feelin me (fading out)
