

# Mario, How Do I Breathe

How do I breathe? Yeah  
How do I breathe? Yeah

It feels so different being here  
I was so used to being next to you  
Life for me is not the same  
There's no one to turn to  
I don't know why I let it go too far  
Starting over it's so hard  
Seems like everywhere I try to go  
I keep thinking of you

I just had a wake up call  
Wishing that I never let you fall  
Baby you are not to blame at all  
Remember when I pushed you away  
Baby if you knew I cared  
You'd have never went nowhere  
Girl I should've been right there

How do I breathe, without you here by my side?  
How will I see, when your love brought me to the light?  
Where do I go, when your heart's where I lay my head?  
When you're not with me, how do I breathe?  
How do I breathe?

Girl I'm losin' my mind  
Yes I made a mistake  
I thought that you would be mine  
Guess the joke was on me  
I miss you so bad I can't sleep  
I wish I knew where you could be  
Another dude is replacing me  
But this can't be happening

I just had a wake up call  
Wishing that I never let you fall  
Baby you are not blame at all  
Remember when I pushed you away  
Baby if you knew I cared  
You'd have never went nowhere  
Girl I should've been right there  
(And I wonder)

How do I breathe, without you here by my side?  
How will I see, when your love brought me to the light?  
Where do I go, when your heart's where I lay my head?  
When you're not with me, how do I breathe?  
How do I breathe?

I should've brought my love home  
Baby I ain't perfect you know  
Pride has got a tight hold  
Girl come back to me  
Cus girl you made it hard to breathe  
When your not with me

Tell me, how do I breathe, without you here by my side?  
How will I see, when your love brought me to the light?  
Where do I go, when your heart's where I lay my head?  
When you're not with me, how do I breathe?

How do I breathe, without you here by my side?  
How will I see, when your love brought me to the light?

Where do I go, when your heart's where I lay my head?  
When you're not with me, how do I breathe?  
How do I breathe?
