(Fabolous)

It's LoSo you know so 'cause I do you so

(Intro: Fabolous)

1 an' then a 2

2 an' then a 3

3 an' then a 4

Then you got a remix

1 an' then a 2

2 an' then a 3

3 an' then a 4

How do I breathe?

(Mario)

How do I breathe? Yeah

How do I breathe? Yeah

(Verse 1)

It feels so different being here

I was so used to being next to you

Life for me is not the same

There's no one to turn to

I don't know why I let it go too far

Starting over it's so hard

Seems like everywhere I try to go

I keep thinking of you

(Bridge)

I just had a wake up call

Wishing that I never let you fall

Baby you are not to blame at all

Remember when I pushed you away

Baby if you knew I cared

You'd have never went nowhere

Girl I should've been right there

(Chorus)

How do I breathe, without you here by my side?

How will I see, when your love brought me to the light?

Where do I go, when your heart's where I lay my head?

When you're not with me, how do I breathe?

How do I breathe?

(Verse 2)

Girl I'm losin' my mind

Yes I made a mistake

I thought that you would be mine

Guess the joke was on me

I miss you so bad I can't sleep

I wish I knew where you could be

Another dude is replacing me

But this can't be happening

(Bridge)

I just had a wake up call

Wishing that I never let you fall

Baby you are not blame at all

Remember when I pushed you away

Baby if you knew I cared

You'd have never went nowhere

Girl I should've been right there

(And I wonder)

(Chorus)

How do I breathe, without you here by my side?  
How will I see, when your love brought me to the light?  
Where do I go, when your heart's where I lay my head?  
When you're not with me, how do I breathe?  
How do I breathe?

(Verse 3: Fabolous)

Shorty  
Got me  
Gaspin'  
Wezzin'  
Askin'  
Reason  
How do I breathe?  
We was  
Just in  
Askin'  
Frezzin'  
Laughin'  
Teasin'  
How could you leave?  
You already know you're my inhale, exhale  
Till then, your name is in my Nextel  
Oh that? It's just flirtin' through the text mail  
And don't listen to the lies that my ex- tell  
I ain't even goin' to dress the story(Nah)  
I got a pain in my chest, shorty(Ah!)  
It's just like a problem with my respiratory(Yes!)  
How-do-I-breathe?(Yes!)

(Chorus)

Tell me, how do I breathe, without you here by my side?  
How will I see, when your love brought me to the light?  
Where do I go, when your heart's where I lay my head?  
When you're not with me, how do I breathe?  
How do I breathe, without you here by my side?  
How will I see, when your love brought me to the light?  
Where do I go, when your heart's where I lay my head?  
When you're not with me, how do I breathe?  
How do I breathe?
