

Mario Joy, BROKE

I'm broke but I don't care
As long as I got your love
Baby.. I'm the richest man

I'm broke but i don't care
As long as I got your love
Baby.. I'm the richest man

I ain't got no money
But I got your love
You're always here by my side
When I'm down, down
I'm a believer I know one day
I'll be, I'll be, I'll be ok

I'm broke but I don't care
As long as I got your love
Baby.. I'm the richest man

I'm broke but I don't care
As long as I got your love

I don't need money I don't even care
I don't need money I don't even care
I don't need a check I don't even care
I woke up blessed I'm breathing the air
I got that sauce to make the women stare
Boss, personality millionaire
I'm drop dead gorgeous I'm killing them yeah
Climbing to the top I'm building the stairs
Walk with me talk with me
We can shoot hoops if u wanna ball with me
We can do the mall hit all the stores quickly
But I'm window shopping get no boxes
With me, you know you don't get those options
All you get is good love and that bed rock in life

I'm broke but I don't care
As long as I got your love
Baby.. I'm the richest man
I'm broke but I don't care
As long as I got your love

I'm broke, broke, I'm broke
As long as I got your love, love, love

I don't need money I don't even care
I don't need money I don't even care
I don't need money
