

Mario Joy, Smoke My Life (Mafiari Remix)

I dream to make a million dollars
I wanna get rid of all the problems
I'm so young and I struggle I struggle
For my dreams, to find my way
To be a better person

Sometimes I wanna smoke my life away
Sometimes I wanna smoke my life away
I've got so many problems
I've got so many problems
On my my my mind

I know I ain't gonna live forever
I'll do my best to make it better better better
I'm gonna hold on as long as I can here
For my dreams, to find my way
To be a better person

Sometimes I wanna smoke my life away
Sometimes I wanna smoke my life away
I've got so many problems
I've got so many problems
On my my my mind

So young so young
And Im running
So young so young
Looking for better days
Looking for better days

Sometimes I wanna smoke my life away
Sometimes I wanna smoke my life away
I've got so many problems
I've got so many problems
On my my my mind
