

# Mario Lanza, With A Song In My Heart

&quot;With A Song In My Heart  
I behold your adorable face  
Just a song at the start  
But it soon is a hymn to your grace

When the music swells  
I'm touching your hand  
It tells that your standing here and

At the sound of your voice  
Heaven opens its portals to me  
Can I help but rejoice  
That a song such as ours came to be

But I always knew  
I would live life through  
With A Song In My Heart  
For you

When the music swells  
I'm touching your hand  
It tells that you're standing here and

At the sound of your voice  
Heaven opens its portals to me  
Can I help but rejoice  
That a song such as ours came to be

But I always knew  
I would live life through

With a Song In My Heart  
For you&quot;
