

Mario, This Is For

This is for all the ladies who've loved a man but he just wasn't ready
And for all the fellas who've loved a girl but she just didnt get

Tell me have you ever loved, loved someone gave them your best,
gave them your all,
offer them a heart that they didnt want and it hurt so bad.
But trust and know that im right here with you
i know what i need to ?????
to make them understand

{HOOK}
that you say what you feel
and you so sincere
and your life would be so lovely
if you had them around
if they wanted to be down
but they just cant share your dreams

This is for all the ladies who've loved a man but he just wasn't ready
but everynight you sit at home knowing thats where he belongs

youve tried everything that youve know to prove your love is true
still she keeps on holding on to her past
shes been hurt b4 so shes afraid to take a chance to put her heart back on the line
but you set her free if she can open up and see

{HOOK}
that you say what you feel
and you so sincere
and your life would be so lovely

but they just cant share your dreams
