

# Mario Winans, It's All Good

ohhhhh  
oh lady,

Things ain't always what they seem  
I never expected it to be a dream  
That I continue to think of us together  
We can make it through the stormy weather

You may not know it now  
But everythings right  
I know you can't see now  
Just give it time  
I will never leave you lonely  
You can Always depend on me

## CHORUS

It's all good  
Though it seems a little rough its ok (its ok)  
So baby don't you worry bout a thing (cause I'm here forever)  
Cuz I'm here with you forever and a day  
Cuz its all ok (o baby)

There's nothing we can't handle  
I'd world for you if I had to go  
I would give you everything you needed'  
Together we would never be defeated.

You may not know it now  
But everythings fine  
I know you can't see now  
Just give it time  
I would never leave you lonely  
You can always depend on me
