

# Marion Raven, For You I'll Die

You said I'm yours to keep  
With your voice so deep  
You were just talking in your sleep

I'll do what you'll crave  
My life for you I'll waive  
All I get is a spot next to your grave

[Pre-Chorus :]  
And you're a fool to not see  
I'm not hanging here to keep you company

[Chorus :]  
But what am I supposed to do  
When all hope is gone?  
How am I supposed to leave you  
When you're the only one?  
I made a deal with Mr.hades  
My soul he wants to buy  
For you I'll die

Oh this is the end  
My only friend the end  
are words from our favorite band  
I know we're not astray  
My love won't decay  
Are thing that you'll never say

[Pre-Chorus 2 :]  
It is strange how time flies  
It's been a year that's gone by  
And you don't know the color of my eyes

[Chorus]  
For you I'll die

No-oh, no-oh, no-oh:

[Pre-Chorus]  
[Pre-Chorus 2]  
[Chorus]  
For you I'll die  
For you I'll die  
For you I'll die
