

Marion Raven, Gotta Be Kidding

I loved you too much
Sue me, Turn me in, I'm guilty
Enough is enough
You're not satisfied til you killed me

[Chorus :]
You gotta be kidding
What do you want?
What's going on inside your head?
Gotta be kidding
Look at what you've done
If I'm alive or dead
That's all you need to know

I wasting my time
Cause there's no justice here in this trial
You're way out of time
When you plead your innocence with denial

[Chorus]
yeah

You gotta be kidding
Look at what you've done
If I'm alive or dead

So don't tell me to let you in
This is just a game
With no layers
No one will win

You're way out of line
When you plead your innocence with denial

You gotta be kidding
What do you want?
What's going on inside your head?
You gotta be kidding
Look at what you've done
If I'm alive or dead

You gotta be kidding
What do you want?
(What do you want from me?)
What's going on inside your head?
Gotta be kidding
Look at what you've done
If I'm alive or dead
That's all you need to know
(What's going on inside your head?)
yeah

Gotta be kidding
Look at what you've done
If I'm alive or dead
That's all you need to know
