

Mariyah LeBerg, Human (Dania - piosenka na EUROWIZJA 2023)

We're only human
Beneath the surface
Tryna find our way home now

We're all broken
We all hurt
When God's spoken
We returned to dirt
In all the glory
We go to rest

Thinking this was only a test

Oh, oh, oh
We're only human
Beneath the surface
Tryna find our way, oh, now
Oh, oh, oh
We're only human
Stuck in the moment
Tryna find our way, oh, now

We're all frozen
Yet we burn
We've all been chosen
To wait our turn
And all the stories
We tell ourselves

Thinking this was all for the best

Oh, oh, oh
We're only human
Beneath the surface
Tryna find our way home now
Oh, oh, oh
We're only human
Stuck in the moment
Tryna find our way home now

Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh

Run
From the tide
With the sun
In my eyes
We're only human
We're only

Oh, oh, oh
We're only human
Beneath the surface
Tryna find our way home now
Oh, oh, oh
We're only human
Stuck in the moment
Tryna find our way home now
