

Mark Eitzel, Saved

Your warm embraces thrill me
in your arms I fall like a star
rain or shine come what may
in your arms the cold seems far away

And there's no safety in this world
I have no time for good luck charms
but I still long for your touch
'cause I know I'm saved
I know I'm saved I know I'm saved
I know I'm saved in your arms

An empty heart is like an empty house
filled with old ghosts and little else
and secrets that everyone but me knows
that without love nothing grows

And there's no safety in this world
I have no time for good luck charms
but I still long for your touch
'cause I know I'm saved
I know I'm saved I know I'm saved
I know I'm saved in your arms
in your arms

I don't think about consequences
I only know what my heart senses
and it pulls me like an arrow straight to you love
it pulls me to what is true love

And there's no safety in this world
I have no time for good luck charms
but I still long for your touch
'cause I know I'm saved
I know I'm saved I know I'm saved
I know I'm saved I know I'm saved
I know I'm saved in your arms
in your arms in your arms
