Mark Knopfler, I Think I Love You Too Much

I'm not alone
You're sittin' right there
How come I get the feelin'
You could vanish into the air

I love you more than anybody else, baby
Can't you tell I'm an easy touch
Oh baby, baby
I think I love you too much

If I picked you up
Oh, you'd slip right away
If I locked you up
You'd find a way to make me pay

You're gonna hurt me more than anybody else
'cause you know I'm an easy touch
Oh baby, baby
I think I love you too much

I guess I'm gonna get you what you want
'cause I'm so into you
You don't even give an inch to me, baby
Though I've been givin' you a mile or two

I'm not alone
You're sittin' right there
How come I get the feelin'
You could vanish into the air

I love you more than anybody else, baby
Can't you tell I'm an easy touch
Oh baby, baby
I think I love you too much

Ooh baby, baby
I think I love you too much

I said baby, baby
I think I love you too much
