

# Mark Medlock, Love Is A Game

Love is a game, who knows  
Who will be the lucky winner  
Love is a game, my love, Oh no no no  
Love is a game, who knows  
Who will be the lonely sinner  
Love is a game, my love, Oh no no no  
The first time that I saw your eyes  
My heart was on fire baby  
Now I heard you lipstick lies  
But you are my heart's desire  
I cannot live without you girl  
You're everything, you are my world  
And I'm trying, trying, trying  
To live just with you  
Love is a game, who knows  
Who will be the lucky winner  
Love is a game, my love, Oh no no no  
Love is a game, who knows  
Who will be the lonely sinner  
Love is a game, my love, Oh no no no  
The world is magic with your love  
And you can't win if you don't play  
And I can't live without that stuff  
Oh baby come and make my day  
Cause everybody needs some love  
Even a fool can get enough  
And I'm trying, trying, trying  
To live just with you
