You are so beautiful

Baby youyou are so beautiful,
So unbelievable.
I love your smile.
Oh baby youoh youyou are so wonderful
Irresistible all your life.

Anytime I wonderwonder how I feel
Oh, you're driving me out of my mind.
Every time I see you
Babe, is this for real?
Oh, someone like you is hard to find.

Oh, I promise you love.
And I can't get enough
Every day and night.
Oh, I do it for you,
Everything what I do
till the morning light

The way you look tonight
You can't give me more.
Every time a story in your eyes
Listen to my heartbeat.

You 're the nearest thing to paradise.

Are you ready for love?

Every day and night.
