

Mark Medlock, You Can Get It

You can get it

Oh I always call your name.
You're driving me insane again.
Baby don't let it end
Oh I wanna dry your tears.
There are so many fears again.
Baby don't let it end
Baby don't let it end.

Oh you can get it
If you really try.
You can run,
But don't hide.
You can reach your heaven love
If you really fight.
You can get it
If you really want.
You can't stop loving me.
Baby if you don't give up
You're my destiny.
Ohyeah

Oh I wonder how I feel.
You make my dreams so real ;again:
Baby don't let it end
Oh I can't stop loving you.
See what love will do again.
Baby don't let it end
Baby don't let it end

Oh you can get it
If you really try.
You can run,
But don't hide.
You can reach your heaven love,
If you really fight.
Oh, You can get it
If you really want.
You can't stop loving me.
Baby if you don't give up
You're my destiny.
