

Mark Owen, Spirit Rise

Be steady as a rock
watch your breath before the armies come
to take you out, man
Light the flame
of the fire that was found when you were born
it will help you out, man
They're all waiting for you
so let your spirit rise
In your eyes
I know that heaven lies
Be still
Enjoy the peace for now you have begun
to lose your mind, man
kiss the ground
and thank the stone you've stood on for so long
clear your head now
They're all waiting for you
so let your spirit rise
In your eyes
I know that heaven hides
In your eyes
I know that heaven lies
Now I wait by the phone
If you need me to join you
all you have to do is say
and I'll be there
If I have to kill myself
then so be it
for all I leave is flesh and bone
and that's worth nothing without the sun
so say and I'll be there
just give me a moment to say goodbye
to my family
In your eyes I feel that heaven hides
In your eyes I see the spirit rise
In your eyes I know that heaven lies
