

# Mark Ronson, The Only One I Know

The only one I know, has come to take me away  
The only one I know, is mine when she stitches me  
The only one I see, has found an aching in me  
The only one I see, has turned her tongue into me

Everyone has been burned before, everybody knows the pain

he only one I know, never cries, never open her eyes  
The only one I know, wide awake and then she's away  
The only one I see, is mine when she walks down our street  
The only one I see, has carved her way in to me

Everyone has been burned before, everybody knows the pain  
Everyone has been burned before, everybody knows the pain

Everyone has been burned before, everybody knows the pain  
Everyone has been burned before, everybody knows the pain

Everyone has been burned before, everybody knows the pain  
Everyone has been burned before, everybody knows the pain
