

Mark Ronson, The Only One I Know (ft. Robbie Williams)

the only one i know
has come to take me away
the only one i know
is mine when she stitches me
the only one I see
has found an aching in me
the only one I see
has turned her tongue into me

everyone has been burned before
everybody knows the pain

he only I know
never cries
never open her eyes
the only one i know
wide awake and then she's away
the only one i know
is mine when she walks down our street
the only one i know
has carved her way in to me

everyone has been burned before
everybody knows the pain
everyone has been burned before
everybody knows the pain

everyone has been burned before
everybody knows the pain
everyone has been burned before
everybody knows the pain

everyone has been burned before
everybody knows the pain
everyone has been burned before
everybody knows the pain
