

Mark Schultz, Back To You

Words and Music by Mark Schultz
From the recording: Song Cinema, Track #7.

Sitting here on the dock as the sun is setting
Red and gold in a purple sky
And the breeze through the trees keeps them gently rocking
Just like the waves that are keeping time

And I know You are all around me
I'm so glad You came and found me

Out here tonight I'm caught so up in wonder
So many things that I've wanted to say
Thank You for life and for love and for laughter
Thanks for this heart that is finding its way
Back to You

All around, hear the sound of creation singing
Lift their praise up to God on high
I know You're there, know You care, I know You made the moment
I take a breath and I close my eyes

And I know You are all around me

I know that I gotta get on...
