

Mark Schultz, When You Come Home

My first day of recess
They all laughed at me
When I fell off the swing set
And scraped up my knee.
The nurse called my Momma
To say I'd be late
And when she gave me the phone
I could hear Momma say,
I'm so sorry, son
Oh I think you're so brave
And she was smiling when she said

Chorus

When you come home
No matter how far
Run through the door and into my arms
It's where you are loved
It's where you belong
And I will be here
When you come home

I waved good-bye through the window
As I boarded the plane
My first job in Houston was waiting for me
I found a letter from Momma
Tucked in my coat
And as I flew down the runway
I smiled when she wrote
I miss you son
You'll be so far away
But I'll be waiting for the day

Chorus

Well I don't think she can hear you now
The doctor told me.
Your mother is fading
It's best that you leave
So I whispered I love you
And then turned away
But I stopped at the door
When I heard Momma say
I love you son
But they're callin' me away
Promise me before I go

Chorus
