Marketa Irglova & Glen Hansard, If you want me

Are you really here or am I dreaming. I can't tell dreams from truth. For it's been so long since I have seen you. I can hardky remember your anymore. When I get really lonely and the distance calls its only since. I think of you smiling with prode in your eyes a lover that sighs. If you want me satisfy me. If you want me satisfy me. Are you really sure that you believe me. When others say I lie. I wonder if you could ever despise me. You know I really try. To be a better one to satisfy you for you're everything to me. And I do what you ask me. If you let me be free. If you want me satisfy me. If you want me satisfy me. If you want me satisfy me. If you want me satisfy me...
