

# Marketa Irglova, H A P P Y

I don't know how long I've waited,  
Or if the feeling is true,  
It was not anticipated,  
Still happened right on queue,

And I'm happy, happy,  
Happy to be here with you.  
I'm happy, happy,  
Happy to be here with you.

Don't know if this is forever,  
Somehow destined to be,  
I only hope that you're happy,  
Happy to be here with me,

'Cause I'm happy, happy  
Happy to be here with you.  
I'm happy, happy,  
Happy to be here with you.

You-u-u-u-u

Sometimes I feel like I'm floating,  
Like it's all just a dream,  
I'm gazing up at the stars, and  
Drifting backwards downstream,

But I'm happy, happy,  
Happy to be here with you.  
I'm happy, happy,  
Happy to be here with you.

I'm happy, happy,  
Happy to be here with you.  
I'm happy, happy  
Happy to be here with you.  
Happy to be here with you.
