

# Marko Hietala, Frankenstein's Wife

There's a key to your heart  
And the promise of clockwork magic  
You had me from the start  
The air around us electric  
Every time you and I, our hearts would meet

I didn't know it was me  
I didn't know that I was the key  
I'm the storm that will set you free

My darling I'll be your lightning  
Oh darling low hangs the sky  
My darling I'll be your lightning  
I'll keep bringing you back to life  
Frankenstein's wife

Let 'em bleed, let 'em bleed  
You've hidden your wounds for so long  
If I mend a heart in need  
Then bringing you back won't be so wrong  
I'm the storm that will set you free

My darling I'll be your lightning  
Oh darling low hangs the sky  
My darling I'll be your lightning  
I'll keep bringing you back to life  
Frankenstein's wife

Nothing will keep us apart  
With the stitches binding our hearts  
No more words to be said  
To one another we've been wed  
The storm above will wake the dead
