

Marko Hietala, Frankenstein's Wife

There's a key to your heart
And the promise of clockwork magic
You had me from the start
The air around us electric
Every time you and I, our hearts would meet

I didn't know it was me
I didn't know that I was the key
I'm the storm that will set you free

My darling I'll be your lightning
Oh darling low hangs the sky
My darling I'll be your lightning
I'll keep bringing you back to life
Frankenstein's wife

Let 'em bleed, let 'em bleed
You've hidden your wounds for so long
If I mend a heart in need
Then bringing you back won't be so wrong
I'm the storm that will set you free

My darling I'll be your lightning
Oh darling low hangs the sky
My darling I'll be your lightning
I'll keep bringing you back to life
Frankenstein's wife

Nothing will keep us apart
With the stitches binding our hearts
No more words to be said
To one another we've been wed
The storm above will wake the dead
