Markus, Electronik

Energy is what I need As you need your heart to live your live I don't talk, I can do anything Just a moment and I'll give you what you need. I'll realized all your desires And if you want, I can write your name in the sky,

You can ask me everything

And if you wanna immediately I will do it

Electronik, I am electronik And bionik I feel supersonik Electronik, I am electronik And bionik I feel supersonik

Electronik, is bionik Electronik, is bionik

As you know I am unique

The only one, that can do something for your mind

I'm like a genius you know what I mean Only you can can make do what you need

I'll realized all your desires

And if you want, I can write your name in the sky,

You can ask me everything

And if you wanna immediately I will do it

Electronik, I am electronik And bionik I feel supersonik Electronik, I am electronik And bionik I feel supersonik

Electronik, is bionik Electronik, is bionik
