

Maroon 5, Beautiful Mistakes (ft. Megan Thee Stallion)

It's beautiful it's bittersweet
You're like a broken home to me
I take a shot of memories and black out like an empty street
I fill my days with the way you walk
And fill my nights with broken walk
And fill my nights with broken dreams
I make up lies inside my head
Like one day you 'll come back to me

No i am not holding on
not holding on
not holding on
i am just depressed that you're gone
not holding on
not holding on

beautiful mistakes
i make inside my head
she's naked in my bed
and now we lie awake
making beautiful mistakes
i wouldn't take em back
i am in love with the past
and now we lie awake
making beautiful mistakes

Nanana, in my head
Nanana, in my bed
Nanana, making beautiful mistakes

It's pitiful
I can't believe how everybody gets worse for me
I take a break, i cut you off
To keep myself from looking soft
I fill my nights with the way you was
And still wake up with broken dreams
I make these lies inside my head
Feel like they're my reality

No i am not holding on
not holding on
not holding on
i am just depressed that you're gone
not holding on
not holding on

beautiful mistakes
i make inside my head
she's naked in my bed
and now we lie awake
making beautiful mistakes
i wouldn't take em back
i am in love with the past
and now we lie awake
making beautiful mistakes

Nanana, in my head
Nanana, in my bed
Nanana, making beautiful mistakes

(zwr.3.)

Bet you miss my love, all in your bed
Now ya stressin' out, pulling your hair

Smelling your pillows and wishin i was there
Sliding down to shower wall looking sad
I know its hard to let go, i am the best
Best you ever had and best you gonna get
If we break up i don;t wanna be friends
You;re toxic

i make inside my head
she's naked in my bed
and now we lie awake
making beautiful mistakes
i wouldn't take em back
i am in love with the past
and now we lie awake
making beautiful mistakes

Nanana, in my head
Nanana, in my bed
Nanana, making beautiful mistakes
