

Maroon 5, Hello

Maroon 5 - Hello Lyrics

I don't feel as if I know you
You take up all my time
The days are long and the nights will throw you away
Coz the sun don't shine
Nobody ever mentions the weather can make or break your day
Nobody ever seems to remember life is a game we play

We live in the shadows and we had the chance and threw it away
And it's never gonna be the same
Cos the years are falling by like the rain
And it's never gonna be the same
'Til the life I knew comes to my house and says
Hello!

There ain't no sense in feeling lonely
They got no faith in you
But I've got a feeling you still owe me

So wipe the shit from your shoes
Nobody ever mentions the weather can make or break your day
Nobody ever seems to remember life is a game we play

We live in the shadows and we had the chance and threw it away
And it's never gonna be the same
Cos the years are falling by like the rain
And it's never gonna be the same
'Til the life I knew comes to my house and says
Hello!
Hello! Says it's good to be back, good to be back!
Hello!
Hello! Says it's good to be back, good to be back!
Hello!
Hello! Says it's good to be back, good to be back!

Hello!
Hello!
Hello!
