

Maroon 5, M

If good girls get down on the floor
Tell me how low will a bad girl go

[Verse]

I wake up with blood-shot eyes
Struggled to memorize
The way it felt between your thighs
Pleasure that made you cry
Feel so good to be bad
Not worth the aftermath, after that
After that
Try to get you back

[Bridge]

I still don't have the reason
And you don't have the time
And it really makes me wonder
If I ever gave a f**k about you

[Chorus]

Give me something to believe in
Cause I don't believe in you anymore
Anymore
I wonder if it even makes a difference to try
(Yeah)
So this is goodbye

[Verse]

God damn my spinning head
Decisions that made my bed
Now I must lay in it
And deal with things I left unsaid
I want to dive into you
Forget what you're going through
I get behind, make your move
Forget about the truth

[Bridge]

I still don't have the reason
And you don't have the time
And it really makes me wonder
If I ever gave a f**k about you

[Chorus]

Give me something to believe in
Cause I don't believe in you anymore
Anymore
I wonder if it even makes a difference,
It even makes a difference to try
And you tell me how you feelin
But I don't believe it's true anymore
Anymore
I wonder if it even makes a difference to cry
(Oh no)
So this is goodbye

[Breakdown]

I've been here before
One day I wake up
And it won't hurt anymore
You caught me in a lie
I have no alibi
The words you said don't have a meaning

Cause

[Bridge]

I still don't have the reason
And you don't have the time
And it really makes me wonder
If I ever gave a f**k about you
and I...And so this is goodbye

[Chorus]

Give me something to believe in
Cause I don't believe in you anymore
Anymore
I wonder if it even makes a difference,
It even makes a difference to try
And you tell me how you feelin
But I don't believe it's true anymore
Anymore
I wonder if it even makes a difference to cry
(Oh no)
So this is goodbye
So this is goodbye, yeah [x3]
(Oh no)
