

# Maroon 5, Won't Go Home Without You

I asked her to stay  
but she wouldn't listen  
she left before i had the chance to say  
ohhh  
the words that would meant  
the things that were broken  
but now it's far too late  
she's gone away

every night you cry yourself to sleep  
thinking why does this happen to me  
why does every moment have to be  
so hard, hard to believe that

it's not over tonight  
just give me one more chance to make it right  
I may not make it through the night  
I won't go home without you

the taste of her breath, I'll never get over  
the noises that she made kept me awake  
ohh  
the weight of things that remained unspoken  
built up so much, it crushed us everyday

every night you cry yourself to sleep  
thinking why does this happen to me  
why does every moment have to be  
so hard, hard to believe that

it's not over tonight  
just give me one more chance to make it right  
i may not make it through the night  
i won't go home without you  
whoaaa X2

of all the things i felt  
but never really shown  
perhaps the worst is that  
i ever let you go  
i should not ever let you go, oh, oh, oh

it's not over tonight  
just give me one more chance to make it right  
i may not make it through the night  
i won't go home without you  
whoaaa

it's not over tonight  
just give me one more chance to make it right  
i may not make it through the night  
i won't go home without you  
i won't go home without you  
i won't go home without you  
i won't go home without you
