

# Marques Houston, Actin' Up

(feat. Lil Fizz)

[Verse 1:]

She's complicated  
It so frustrating  
Sometimes I think  
This girl is crazy  
Can't explain it  
Finest thing  
Screams my name  
I can't let her go  
First we kiss, then we fight  
It's off the chain, every night  
Shorty knows what I like  
And I can't get it off my mind  
Sometimes it good  
Sometimes it bad  
She treats me so damn bad  
She's still the best I ever had  
That's why she got me

[Chorus 2x:]

She got me actin' up (got me actin' up)  
She got me actin' up (got me actin' up)  
The way she backs it up (the way she backs it)  
Can't stop actin' up

[Verse 2:]

Intoxicated  
Gotta love her  
I be stressed  
I'm such a mess  
Thanks to you  
Makes no sense at all  
In the morning  
In the evening  
Sweating you  
Cause I believe  
What you give  
From head to toe  
Girl me and you  
Girl lets get it on  
Sometimes it good  
Sometimes it bad  
She treats me so damn bad  
She's still the best I ever had  
That's why she got me

[Chorus 2x:]

She got me actin' up (got me actin' up)  
She got me actin' up (got me actin' up)  
The way she backs it up (the way she backs it)  
Can't stop actin' up

[Rap Fizz:]

F-I-Z-Z  
Ay yo, ay yo the greats is back  
What  
Oh know, oh know it's Fizz in the back  
What  
The clock is tickin'  
Y'all shouldn't have started slippin'

Puttin us together man what was y'all thinkin  
Now she got me finin  
Man she got me thinkin  
The way that thing is shakin  
Its got me double blinkin  
Oh kno man she's so incredible  
The way she brings it up and brings it back to the floor  
Oh  
How she acting  
Got me reacting  
If she is someone's girl  
I'm guess I'ma be jacking  
Leaving us alone aint not telling what could happen  
All you fellas reppin, Lil Fizz is packin

[Chorus 4x:]  
She got me actin' up (got me actin' up)  
She got me actin' up (got me actin up)  
The way she backs it up (the way she backs it)  
Can't stop actin' up
