

# Marques Houston, Naked

[Spoken Marques]

Don't say a word  
Just come over here  
I got somethin' I gotta do tonight  
Listen

[Verse One]

Ain't never been a man wantin' anything much as I want you (you)  
The sun don't come up til' mornin' so tonight theres no excuse...mmm (mmm)  
Just like the rain outside I'll make your love come down so baby now it's time (time)  
Just can't wait no more (just can't wait no more)  
I'm gon' give you what your body's been cryin' for (cryin' for)

[PreChorus One]

And if you tell me yes I'll lay you down  
Girl we ain't gotta rush let's play around  
We'll do it like we never done before so go and lock that door  
Baby don't worry cus I'll be gentle

[Chorus]

Come on baby turn the lights off let's get naked (ooh come on)  
Come on babygirl you know I just can't take it (I can't take it no more)  
Let your panties hit the floor (floor)  
Let your body steal the show right now (right now)  
It seems like you're ready  
So come on girl I just can't wait to see us naked (us naked yea)

[Verse Two]

I know you want this girl I see it in your eyes (eyes)  
Don't be ashamed of what you got between those thighs oh (oh)  
You know I'm gon' try not to be so excited  
But I can't help it feels so good to be invited  
So baby get ready cus here I go ooh (here I go ooh)

[PreChorus Two]

Take off your shoes I wanna see them toes  
Slip off that skirt and that shirt gotta go  
Come off them draws girl you won't be needin' those  
Now you're wearin' what I like baby let's go  
Come on

[Chorus]

Come on baby turn the lights off let's get naked (Let's get naked) ooh come on  
Come on babygirl you know I just can't take it (I can't take it no more)  
Let your panties hit the floor (floor)  
Let your body steal the show right now (right now)  
It seems like you're ready  
So come on girl I just can't wait to see us naked (us naked yea)

[Verse Three]

Now somethin' 'bout that sexy skin you in  
Your clothes don't do you justice so come out of them  
So baby take that off so I can break you off  
And give you love love love (uh huh oh)  
Now its time to enjoy yourself  
If you need assistance babygirl I'm here to help

Cus its time for us to start this love makin' (let's make love)  
But first we gotta get butt naked

[Spoken Marques]

Damn girl  
You look so good  
Won't you come over here  
Slip off that skirt  
You know that shirt gotta go  
baby baby baby  
You lookin' kinna right  
Take your time (take your time)  
Now you know its time  
Lets get naked

If you tell me yes I'll lay you down  
We'll do it like you never done before  
If you tell me yes I'll lay you down
