

# Marshmello, Shockwave

Always think about you  
Always though i have a life  
I could grow with you  
As time fades  
Crazy how our lifes changed  
Feeling like a Shockwave  
Without you  
Always think about you  
Always though i have a life  
I could grow with you  
As time fades  
Crazy how our lifes changed  
Feeling like a Shockwave  
Without you  
Always think about you  
Always though i have a life  
I could grow with you  
As time fades  
Crazy how our lifes changed  
Feeling like a Shockwave  
Without you
