

# Marshmello x Eptic, HITTA (Feat. Juicy J)

One hitta quitta  
One hitta quitta  
One hitta quitta  
One hitta quitta  
Ma-ma-mafia!  
Shut da fuck up!

I got that one hitta quitta  
That one hitta quitta  
One hitta quitta  
That one hitta quitta

Nigga find out and get your fucking teeth knocked out  
Find out and get your fucking teekh knocked out

One, one, one, one , killish  
One, one, one, one , killish  
One, one, one, one , killish  
One, one, one, one , killish  
Shut da fuck up!

Pulling up and rolling down  
Smoked out in exotic trucks  
Model chiks  
Tehy like to suck  
With lots of spit like daffy duck

Halo on my  
I am too high  
Take two puffs  
And touch the sky
