

# Martha Wainwright, How Soon

How soon will I be seeing you?

How soon?

I wish I really knew

And when will I be hearing

Words I want to hear

Pretty little love words

Whispered in, in my ear

How soon will I be seeing you

And dance the way we used to do?

I see the starlight gleaming

Forgive me if I'm dreaming

Tell me, honey, now

How soon?

And when will I be hearing

Words I want to hear?

Pretty little love words

Whispered in, in my ear

How soon will I be seeing you

And dance the way we used to do?

I see the starlight gleaming

Forgive me if I'm dreaming

Tell me, honey, now

How soon?

I see the starlight gleaming

Forgive me if I'm dreaming

Tell me, honey, now

How soon?
