

# Martika, See If I Care

You know I've been thinking

What if I was your lover  
Could I make you shiver  
Every time you look at me  
Does your heart beat like thunder  
Just like mine  
Do you feel the energy

My fantasy is you and me  
Looked inside a lovers' groove  
So don't be shy  
No other guy can get to me  
The way you do

So touch me  
See if I care

Hold me  
See if I care for you  
Kiss me  
See if I care  
'Cuz I betcha I do  
Care about you  
See if I care

And if we were together  
Would you put your arms around me  
Hold me oh so tight  
Would you love me forever  
Come on boy  
Only you can make it right

You're so cool  
You won't break the rules  
But you don't have to keep your hands to yourself  
'Cuz love is blind  
But if you read my mind then you would know  
The way I've always felt

Don't you know what you do to me  
You're every girl's fantasy  
Move a little bit closer now  
Do I have to show you how  
Touch me hold me kiss me  
You're driving me crazy
