

# Martin L. Gore, Coming Back To You

Maybe I'm still hurting  
I can't turn the other cheek  
But you know that I still love you  
It's just that I can't speak  
I looked for you in everyone  
And they called me on that too  
I lived alone but I was only  
Coming back to you

They're shutting down the factory now  
Just when all the bills are due  
And the fields they're under lock and key  
Tho' the rain and the sun come through  
And springtime starts but then it stops  
In the name of something new  
And all the senses rise against this  
Coming back to you

And they're handing down my sentence now  
And I know what I must do  
Another mile of silence while I'm  
Coming back to you

There are many in your life  
And many still to be  
Since you are a shining light  
There's many that you'll see  
But I have to deal with envy  
When you choose the precious few  
Who've left their pride on the other side of  
Coming back to you

Even in your arms I know  
I'll never get it right  
Even when you bend to give me  
Comfort in the night  
I've got to have your word on this  
Or none of it is true  
And all I've said was just instead of  
Coming back to you
