Martin Nievera, Against All Odds

How can I just let you walk away just let you leave without a trace? When I stand here taking every breath with you Ooh

you're the only one who really knew me at all.

How can you just walk away from me when all I can do is watch you leave' 'cos we shared the laughter and the pain and even shared the tears.

You're the only one who really knew me at all.

So take a look at me now

well

there's just an empty space

And there's nothing left here to remind me

Just the memory of your face.

Ωh

take a look at me now

there's just an empty space

And you coming back to me is against the odds

And you coming back to me is against all odds

It's the chance I've got to take. - Take a look at me now.

And that's what I've got to face.

I wish I could just make you turn around turn around and see me cry.
There's so much I need to say to you so many reasons why.
You're the only one who really knew me at all.
So take a look at me now well there's just an empty space
And there's nothing left here to remind me
Just the memory of your face.
Now take a look at me now 'cos there'c just an empty space
But to wait for you is all I can do and that's what I've got to face.
Take a look at me now 'cos I'll still be standing here
