

# Martin Nievera, Goodbye Girl

All your life you've waited  
For love to come and stay  
And now that I have found you  
You must not slip away  
I know it's hard believin'  
The words you've heard before  
But darling you must trust them just once more

Because baby, goodbye doesn't mean forever  
Let me tell ya goodbye doesn't mean we'll never be together again  
If you wake up and I'm not there, I won't be long away  
'Cause the things you do, my goodbye girl  
Will bring me back to you

I know you've been taken

Afraid to hurt again  
You fight the love you feel for me  
Instead of givin' in  
Well, I can wait forever  
For helping you to see  
That I was meant for you  
And you for me

So remember goodbye doesn't mean forever  
Let me tell ya goodbye doesn't mean we'll never be together again  
Though we may be so far apart, you still would have my heart  
So forget your past, my goodbye girl  
'Cause now you're home at last
