

Martin Nievera, Say That You Love Me

My morning starts to shine
With teardrops in my eyes
And here I am alone starting to realize
That my days would be brighter
If I could learn to hide
The feeling that I have for you
Keeps haunting me inside

Then my days begin
With simple thoughts of you
Hoping that tomorrow will be me and you
Sharing dreams with each other
And making them come true
Holding one another, saying all I need is you

But will you say that you love me
And show me that you care
Say when I need you
You will always be there
But if you go and leave me
(Ooh) This I swear is true
My love will always be with you

Now my nights would end
With just one wish, that's you
To hold me in the dark
And help me make it through
'Cause the pain that's inside me
Would simply melt away
If I had you here with me
And promise me you'd stay

But will you say that you love me
And show me that you care
Say when I need you
You will always be there
But if you go and leave me
(Ooh) This I swear is true
My love will always be with you

But will you say that you love me
And show me that you care
Say when I need you
You will always be there
But if you go and leave me
(Ooh) This I swear is true
My love will always be with you
My love will always
My love will always ooh, ooh
My love will always be with you
